ASSIGNEE INFORMATION

1. The first thing I noticed when I stepped out of the car was the smell of fresh paint. It was a mix of turpentine and something I couldn't quite identify, but it felt like a clean slate. The car was a 1965 Ford Mustang, and it was in perfect condition. The paint was a deep, rich red, and the chrome was polished to a mirror finish. I had been told that the car was a "show car," and I was not disappointed.
